for Laboratory, Industry, Science

0370-xxxx

Laboratory bottle PET sterile, clear, various size

Our supplier confirms that the articles listed above:

- Bisphenol A, Phthalates, BSE/TSE, or Latex are not used in the manufacture of or intentionally incorporated into our products.
- The raw materials for our products are compliant to EU/1935/2004 on "Materials and Articles Intended to Come into Contact with Food" and 10/2011/EU on "Plastic Materials and Articles Intended to come into Contact with Food". However, our finished products have not been validated for food contact applications.
- The raw material do not contain Phthalates above 0.1 % (w/w).
- The products contain less than 100 ppm of residual trace heavy metals covered under the EU Directive 94/62/EC (sum of Cd, Cr, Hg and Pb).

The user must convince himself of the suitability of the product beyond the requirements of the guidelines.

Further tests are not carried out by us.

The declaration is based on our current state of knowledge and information provided by our supplier at the time that the document was drawn up. The supplier – Bürkle GmbH in Bad Bellingen/Germany – is certified according to the standard DIN EN ISO 9001 by the DQS (German Society for Quality Assurance) since 1995. The number of certificate is 002284-QM15.
