3418-xxxx

Universal storage container, misc. sizes and filling volumes, with and without lid

We hereby confirm that the above-mentioned products comply with the Regulation (EU) No. 10/2011 and subsequent amendments as well as the EU-Framework Regulation (EC) No. 1935/2004, including 2023/2006/EC.

Specifications of the intended use or limitations:

- The above products are suitable for use in the transportation and storage of foodstuffs. The intended use is for the following food categories:

- Dry, watery, acidic or fatty foods (e.g. meat, fish, vegetables, flour)
- Food containing alcohol
- Drinking water

- Type(s) of food that should NOT come into contact with the material:

- none.

- Duration and temperature of treatment and storage in contact with the food:

- 10 days at 40°C tested

Any long-term storage at room temperature and below as well as short-term heating either to 70° C for up to 2 hours or to 100° C for up to 15 minutes. The usual operating temperature is: -10° C to +40° C

- Ratio of food contact area to volume:

- 6 dm² / kg food stuff.

- Dual-use additives:

- According to the information provided by our raw material supplier, no dual-use additives are listed.

- Plastic functional barriers:

- No functional barrier made of plastic is used in this product.

The responsibility regarding the suitability of the product(s) for the intended use and the preservation of migration values under condition of use remains at the user! The declaration is based on our current state of knowledge and information provided by our supplier at the time that the document was drawn up. The supplier – Bürkle GmbH in Bad Bellingen/Germany – is certified according to the standard DIN EN ISO 9001 by the DQS (German Society for Quality Assurance) since 1995. The number of certificate is 002284-QM15.
