

6206-xxxx Sample boxes, Pure, PP, various size

6206-xxxx Sample containers, sterile, PP, various size

PRODUCT AND MATERIAL DECLARATION

Based on the current information provided by our Supplier, Bürkle GmbH confirms the following for the sample boxes covered by this declaration:

Substances. Bisphenol A, phthalates, BSE/TSE-related animal-origin materials and latex are not intentionally used in manufacture, according to the manufacturer information.

Raw materials. The polypropylene raw materials are supported by supplier certificates referencing Regulation (EC) No. 1935/2004 and Regulation (EU) No. 10/2011.

Finished products. The finished sample boxes have not been validated for food contact applications. They are intended for laboratory applications only.

Migration testing. No migration testing has been performed on these finished products.

Additional information. According to the previously provided product information, raw materials do not contain phthalates above 0.1% (w/w), and the products meet the stated heavy-metal limit of 100 ppm in total for Cd, Cr, Hg and Pb under Directive 94/62/EC.

The declaration is based on our current state of knowledge and information provided by our supplier at the time that the document was drawn up. The supplier – Bürkle GmbH in Bad Bellingen/Germany – is certified according to the standard DIN EN ISO 9001 by the DQS (German Society for Quality Assurance) since 1995. The number of certificate is 002284-QM15.
