Declaration of Conformity

We confirm that the materials used for the production of the above-mentioned articles fulfil the requirements and compliance statements described below.

The body and product-contact parts are manufactured from virgin grade Polytetrafluoroethylene (PTFE). The handle is manufactured from talc-filled polypropylene.

The article complies with / fulfils the following requirements:

- **FDA 21 CFR 177.1550** – suitable for use as articles or components of articles intended to contact food
- **USP Class VI** – tested for biocompatibility according to USP <88>
- **RoHS 2 Directive 2011/65/EU**, as amended by (EU) 2015/863
- **REACH Regulation (EC) No. 1907/2006** – no SVHC ≥ 0.1 % (w/w) according to the applicable Candidate List
- **Commission Regulation (EU) 2021/1297** – no PFCA (C9-C14), their salts or related substances
- **Regulation (EU) 2019/1021 – POPs**
- **Regulation (EC) No. 1005/2009 – Ozone Depleting Substances**
- **California Proposition 65**
- **Conflict Minerals / Dodd-Frank Act**
- **Regulation (EU) 1169/2011 – Food Allergens**

The material is entirely synthetic and is not manufactured using raw materials or auxiliary agents of human or animal origin.

The following substances/materials are not intentionally used in the manufacture of the raw material: BPA, natural rubber latex, VOC, nitrosamines, plant-derived materials, GMO, nanomaterials and melamine.

This declaration is based on our current state of knowledge and on information provided by our supplier at the time the document was drawn up. Further tests are not carried out by us.

The declaration is based on our current state of knowledge and information provided by our supplier at the time that the document was drawn up. The supplier – Bürkle GmbH in Bad Bellingen/Germany – is certified according to the standard DIN EN ISO 9001 by the DQS (German Society for Quality Assurance) since 1995. The number of certificate is 002284-QM15.
